Propaganda --

Antwerp -- Who wants my armies, and for what price?

Turkey -- France: Houghton, you are a chicken. I have often considered sending all my fleets to burn Marseilles out of spite, and may do it yet. And as for you, Beyerlein, just go away and fight England or somebody. Shoo out of my sea.

Turkey -- God: Shame on you. After having announced my conversion to Christianity, the idea of my keeping a harem is most unbecoming. I have even made a pilgrimage to Rome as I promised -- at the expense of great and weighty matters on the home front.

Supply Centers held at the end of AUT '05 (retreat does not affect count) --

Propaganda --

Berlin -- (November 23, 1904) Reports reaching the foreign press seem to indicate that the Kaiser is pleased at the reception the people of Rome gave to the negotiating team, but is piqued that the government of Italy had moved south, to Naples.

Rome (Nov. 24, 1904) -- Colonel-General von Schnapps, head of the German Negotiating team, today indicated that only one course seemed open. "We must journey to Naples and try to contact the representatives of the Italian people to end this futile war."

Positions at end of W'04 -- A-H: A Ser (1); ENG (Tretiek): None; OOG; FRA: A's Mar, Bur, Bel; F's Naf, WMe, Bre, ~~EnC~~, Edi, NtS (9); GER: A's Tri, Bud, Vie, Tyo, Ven, Rom, Mun, Den; F's Kie, Hel (10); ITA (Maloney): A's Bul, Gre, Con; F's Smy, Adr, Alb (6); RUS: A's War, Ukr, Mos, Rum; F's Nwy, Swe, Sev (7); TUR (Schelz): A Ank (1).

Deadline for SPRING, 1905 moves -- Noon, Tues., Nov. 19.

PUC (Regular Diplomacy Game #14) -- COUP IN FRANCE AS THE "PEOPLE" OVERTHROW THE  
KING, FORM A NEW REPUBLIC!

The Players -- Bill Inman is now playing FRANCE in place of Rod Sanderson, who has not responded. We thank Pete Rosamilia and Doug Beyerlein, who also applied for the position -- but Bill's name was the one we drew out of the hat.

PUC (continued) --

AUTUMN, 1903 retreats -- ITA (R.Johnson): A Tyo (R) Boh; RUS (Hueston): A Sev (R) Mos.

WINTER, 1903 builds/removals -- A-H (Wittman): (B) A Vie; ENG (McConnell) (no build was sent, but move orders were received instead; Dann, the SPRING and FALL seasons are the only seasons in which move orders are valid; the AUTUMN and SUMMER "retreat" seasons are for the purpose of moving a unit dislodged in battle during the preceding "move" season (if any such units were dislodged) to another province; the WINTER season is for adjusting the number of units on the board to the number of supply centers in a player's possession after the FALL moves, complete with AUTUMN retreat(s) (if any) have been played -- i.e., through "building" or "removing". Because of the obvious misinterpretation of the rulebook here, we had a stand-by player submit a build order for ENGLAND; in the future, however, you will have to submit your own orders, Dann (unless, of course, you keep a set of "General Orders" on file with the GM.): (B) F Lon; FRA (Inman) (no WINTER removal orders were submitted; however, a set of SPRING orders for only four units was received, so we are assuming your intent was to remove the two units for which no orders were submitted, and are removing same. In the future, however, you will have to submit your own orders.): (E) A Bel; (E) F EnC; GER (Gemignani): (B) F Kie; RUS: (B) A War; TUR (Reiter): (B) F Smy.

Propaganda -- France -- You and I, England, may come to terms. We wear white hats, all right!

Deadline for SPRING, 1904 moves -- Noon, Tues., Nov. 19.
